- Support Network of 400+ alumni

Week 2: Alumni Panel

4-5 Alumni of varying roles will come chat with you about their experience

Please prepare and ASK lots of questions!

Week 3: Portfolio Talk

- Discuss portfolio creation process
- Demo Portfolio during PD Week
- Checklist will be provided to keep you on track

Weeks 3-6: Guest Speakers

Each week for 4 weeks we bring in a guest speaker to present on a topic to compliment your time at LEARN!

Topic Areas Can Include:

- UI/UX Design
- Product Development/Management
- Start-Up Culture
- Diversity & Inclusion in Tech
- Freelance/Remote Work
- Blockchain Technology
- Web Accessibility
- Data Science
- Artificial Intelligence & Machine Learning

Week 7: Professional Development

I become your instructor for the week to discuss career readiness and get you confident to enter job market

- Resume
- Transferable Skills
- Cover Letter
- Networking Strategies & Elevator Pitches
- Job Market Outlook
- LinkedIn
- Salary & Negotiation

Weeks 8-11: Internship Process

- Internship Company presentations: Weeks 8 & 9
- Internship Company Interviews: Weeks 9 & 10
- Internship Matching & Placement Week 11

Week 12: Internship Prep & Tech Talk

Everyone must complete & present tech talk at the end of the program

5-7 minute presentation followed by Q&A

Slide deck required

Can be recorded

Great opportunity to build talk to present in community

The majority of Week 12 is dedicated to preparing for internship including on-boarding, studying new tech, and side project creation.

Post-Internship

- Job Search Plan Meeting: 1:1 Appointment w/ Career Services Manager
- Check-Ins via Slack, Email or Zoom
- Ongoing support as needed/requested
- Be active member of alumni community
- Convince new employer to be an internship partner
